Students get practice reading words with beginning and ending consonant blends, and compound words by playing the Go Phonics Games. Teenagers can be one of the most challenging, frustrating and also rewarding groups to teach. We incorporate culture and current issues into each episode to give the most informative, both linguistically and culturally, podcasts possible. All students learn differently. This new take on a fairy-tale classic is so funny and so original--it could only come from the brilliant mind of Mo Willems. Before children can use a knowledge of soundspelling relationships to decode

words, they must understand that words are made up of sounds
