Higher financial goals. But in practice, Kittinger wrote, "his parachute invariably became snagged in the lacy entanglements of these old aircraft and plunged to earth trapped by the wicked combination of machine and parachute. Branson writes that it is the thrill of being "supremely powerless: human chaff, borne who knows where by the wind.

Are you sure you would like to remove these items from your wishlist? AirLineE As plain records of fact, Kittinger's book and Branson's more than justify themselves. The first airplanes are scheduled for delivery in with the entire order being fulfilled over 10 years.
