All conditions shown on the ticket are to be read together with all other statements or directives either shown on this ticket or displayed on the premises. Looking at her had turned them all into boys.

The old lady helps the kid see the world differently. Smiley's ability to show this vicious cycle of budget-cutting and privatization intruding into the stories of all the different characters is the most impressive thing about this book, and makes it worth reading. And as a student of creative writing classes, the student who is unable to stop inflicting his psychological and sexual hangups on his almost always HIS readers is equally recognizable, and there seems no way to inform him what an ass he's being without violating the generally-accepted boundaries of politeness. After reading 'Straight Man' I was in the mood for another satire of academic life, so I can't help but compare Russo's book to Smiley's.

I liked these ideas, and in particular enjoyed Smiley's insight that the stat And the blend of sharp comedy and poignant observation is perfectly balanced.
