Well, the project to demonstrate his insight's truth follows from that insight -- but is the demonstration or the insight itself the more important thing to philosophy? One of the key concerns raised in this discussion was the potential disconnect between abstract philosophical discourse and the practicalities of everyday life.

Overthepastyearwhilestudyingabroadadiscourseaboutthevalueofphilos He means anyone who isn't up to the task of self analysis might as well be a corpse, since they are already acting like one. Aristotle uses the image of a collectively provided feast to illustrate the potential superiority of such collective judgement; how to interpret this image whether as a potluck, WaldronWilsonOberor in a more aggregative way, BouchardCammackLane a and other images that he uses is a

matter of some renewed controversy for a recent review, see
