Some of them are moving to the Internet. I can cross this author off my "ever reading again list". Her twin Carlene, a Broadway singer, decides to visit the family home after experiencing a personal tragedy and stirs up lots of past issues - especially jealousy from Darlene.

If it weren't for the character of her younger sister, Nolie, I believe I would have loved it. I was not required to write a positive review. If you could sum up Five Miles South of Peculiar in three words, what would they be? Overall, this is a lovely book and I highly recommend it to anyone who seeks out literary gems over categorical genres.

This pilgrimage to Israel was supposed to be a new beginning for her. She grew up in a Group Guide. Thanks for sharing!
