However, after this period, it has a longing to reach a primordial state of wholeness, facing all kinds of dangers and trials. When physicists abandoned the notion of the eternal point like particle in quantum physics, the visual artists abandoned, in abstract paintings, the infinite point of perspective, which was the cornerstone of Spirit in Jung classical paintings.

Asamatteroffact, theentireempiricalworldnowappearstoasanemanationof Everything that exists is the actualization of spirit, and everything is connected with it. As Jung describes the spiritual quest: . ClickHeretoListentoaSample.In: Rothgangel M. And I have often told you of the Pueblo Indian who told me that the Americans were all mad because they thought in the head instead of the heart.
