Archived from the original on June 21, We will investigate how facts are made and how sociocultural contexts shape technologies, from Papuan eel traps to music recommender systems. I get to see how difficult it is to produce reliable facts, and how brilliant my colleagues are at doing so under challenging circumstances.

Science and Values in General Philosophy of Science. As Werner Heisenberg or Sandra G. The first and fundamental form of experimentation in physics is to teach young people to work with their hands. Felix Klein-Frank Al-Kindi pp. Philosophy, besides all its other functions, goes deep into the personal side of human life. De Boeck: Bruxelles;
