Please improve it by verifying the claims made and adding inline citations. Of 21 bars in length, its tonal function is to mediate between the keys of the central and final movements E minor and G major. The two first movements, a large scale concerto allegro and a short largo, remained largely unaltered throughout these revisions and were copied by Bach's nephew Johann Heinrich into the earliest surviving manuscript from It is linked by a brief quasi-stretto section to a three bar cadenza-like passage. At the beginning of the twentieth century there was an increased interest in classical chamber music in France. At

bar 14 the fugue develops with an inverted version of the opening motif in the violin in counterpoint with semiquaver figures in the left hand of the harpsichord with responses in the right hand. This four bar passage is immediately repeated with the upper parts exchanged.

There is reason to believe, then, that this Fantaisie, Op. In Munich, Mozart came across the recent violin sonatas of the popular opera composer Joseph Schuster, and their success prompted him to try his hand at a set of similar works of his. Z II.
