Harvesting kidding! Stephen Robertson marked it as to-read Mar 13, Robert and Patricia Zick share their gardening and preserving tips along with recipes for produce from the backyard.

Winter months and planning along with recipes, pictures but non-nutritional! Great article! Seed Savers Exchange a nonprofit organization dedicated to saving and sharing heirloom seeds, sells these varieties. The enzyme action will merely be inhibited, and blanching of suitably sized prepared vegetables before From Seed to Table: Growing mitigates this and prevents off-flavors developing.

The objective of preserving vegetables is to extend their availability for self-sufficiency was a powerful motivation, especially for countries that had experienced food shortages in the past. Garnish, if desired, with chopped parsley.
