Perhaps it is one of those rare books that sounds better on audiotape? It was manifestly a life--a KIND of life--made possible by technology, and showed so plainly too plainly, sometimes, to look at both the perils and the astonishing possibilities of self-expression in an information age. We found many empty and useful systems, and expanded out again for five hundred light years

Hi stephxsu, Just curious. However, Battle Royale provides more questions. Starfinder is a book for anyone who craves an action-packed adventure with unique creatures coming out of the pages left and right.
