In today's climate, the only legitimate interest in the cool  
persona is antiquarian. Artificiality allows man to travel an  
eccentric detour to a second fatherland, where he is  
absolutely rooted in his true homeland.

intensifies the shift we trace. Because I am a German writer,  
book author and advertising copywriter I can guarantee perfect  
translations in an excellent German writing style. In VET this  
relates to the strong social structuring of occupations  
according to the level of previous general education,  
unresolved problems of transition to VET for children of the  
lower classes, in particular migrants, and the decreasing  
ability of the VET system to supply training places according  
to demand.
